

## Grundy County Landfill Commission

Minutes of the Meeting held on Thursday, November 14, 2024

Location: Grundy County Courthouse

Members Present: Melcher, Chm., Smith, Sec'y, Juchems, Strobehn, and Nederhoff

Landfill/CCC Manager Chad Brown

The meeting was called to order at 6:30 by the Chairman. The minutes of the September meeting were approved as read via a motion by Juchems seconded by Strobehn.

The Commissioners approved payment of the bills totaling \$\$1,835.11 for the Citizen's Convenience Center and \$1,838.00 for the Landfill on a motion by Strobehn, seconded by Nederhoff.

Brown reported that Christie Door Company came to examine the north overhead door opener, which needs to be replaced. Brown and Kuester replaced the translucent skylight panels in the main building with tin. The new caps on the bare areas of the Landfill seem to have new vegetation developing after Bovy Landscaping's work there. HLW Engineering performed their annual inspection and gave us a good report. The month of October was busy with garbage dropped off. Brown, Smith and Melcher will meet with Angie Martin to prepare the LF/CCC budget for 2025/26. On a motion by Juchems, seconded by Strobehn, the Commissioners voted to have the door opener that operates the 14' x 16' north door replaced by Christic Door Co.

The meeting was adjourned at 6:56 on a motion by Juchems and seconded by Nederhoff.

Respectfully submitted by

Barbara Smith Secretary
