

Grundy County Landfill Commission

Minutes of the Meeting held on Thursday, January 11, 2024

Location: Grundy County Courthouse

Members Present: Melcher, Chm, Kuester, Metz, Robinson & Nederhoff

Landfill/CCC Manager Brown

The meeting was called to order at 6:34 by the Chairman. The minutes of the December meeting were approved as read on a motion by Nederhoff seconded by Kuester.

The Commissioners approved payment of the bills totaling \$4686.28 for the Citizen's Convenience Center and \$0 for the Landfill on a motion by Robinson, seconded by Metz.

Melcher discussed the issues and discontent he has been having with putting the minutes in the paper (process of how it is put in the paper has changed & setting up an account that doesn't work, email changes on who it goes to, not always the same format) so he is asking for someone else to deal with this, Kuester volunteered to talk with Jesse in the IT department about taking this over or helping with the process.

Manager Brown reported he has been super busy in December and that he would like to make up some signs for the cardboard and appliances to better educate the people on what can be accepted and not accepted. There was also a discussion on getting a portable air compressor which we will discuss at the next meeting.

There was also an election of officer's and it was voted to keep the present officers in the same positions: Greg Melcher Chairperson, Dave Juchems Vice Chairperson and Barb Smith Secretary, with lacking a quorum we are sending this to the Supervisor's for their approval or recommendation.

The meeting was adjourned on a motion by Kuester, seconded by Metz.

Respectfully submitted by

Dave Robinson, Commission Member
