

Grundy County Landfill Commission

Minutes of the Meeting held on Thursday, May 9, 2024

Location: Grundy County Courthouse

Members Present: Melcher, Chm., Smith, Sec'y, Juchems, Nederhoff, and Severance

Landfill/CCC Manager Chad Brown

The meeting was called to order at 6:31 by the Chairman. The minutes of the April meeting were approved as read via a motion by Juchems, seconded by Nederhoff.

At the initiative of Manager, Chad Brown, the Commissioners decided to have Brown work with the Grundy County IT Department to create a Facebook page for the Landfill/CCC and include a link from the County's website to the Facebook page.

The Commissioners approved payment of the bills totaling \$2550.83 for the Citizen's Convenience Center and \$5028.71 for the Landfill on a motion by Juchems, seconded by Severance.

Discussion was held on the bare spots on the slopes of the landfill cap that were pointed out in the State inspector's report. Brown will get some quotes from area landscaping companies to seek remedies to create a consistent cover for those areas.

There is a crack in the office window at the CCC. It was suggested that Manager Brown contact Iowa Falls Glass about repair or replacement. He is working towards decreasing the TKN levels in the leachate using some new strategies suggested by Commissioner Shane Metz. If they don't produce the desired results, the Landfill may open an account with Euroifins Lab to accept our leachate.

The meeting was adjourned at 7:29 on a motion by Juchems and seconded by Severance.

Barbara Smith Secretary
